KINDERGARTEN REGISTRATION IS NOW OPEN

Our kindergarten registration for the 2023-2024 school year is now open. If your child is five or will be five on or before August 1 of this year, he or she is eligible for kindergarten.

Even though online registration is open, we also have our kindergarten fair on Saturday, March 11 from 9:00-11:00 a.m. at North Nim Elementary. This is an opportunity to meet with our secretaries to ensure all online paperwork is complete, or a time to receive 1:1, in-person assistance with registration. To add an extra special welcome for our future Leopards, community partners, staff, and fun take-home items will be part of this event.

SCHOOL DELAYS AND CLOSINGS

School will either be delayed or closed on days when weather and driving/road conditions are hazardous and dangerous for students and staff. The forecasting and predicting of hazardous weather in Ohio is always challenging, and the decision to cancel or delay school must be made very early in the morning. **Delays and closings will almost always be announced by 6:30 a.m. If there is no announcement to cancel or delay school by 6:30 a.m., you may safely assume that school will be in session.**

Parents will be notified by the School Messenger Telephone Notification System in the event school is delayed or canceled. The "School Messenger" phone call and parent notification may take several minutes to reach your home if there are a number of area school delays or closings.

If school is delayed, Louisville Schools will only delay the opening of school for two hours. Rarely, if ever, will school be delayed and then canceled. All bus runs and school starting times will simply be delayed by two hours. **There will be no AM preschool when school is delayed for two hours**, and no breakfast will be served in any of the school cafeterias.

A **two-hour delay** simply means that school will be delayed by two hours in the morning. Students should report to school or to their bus stop two hours later than their normal times. Buses will pickup students two hours later than the normal pickup times. School buildings will operate on an adjusted schedule, and students will be dismissed from school at their regular times and at their regular bus return trip times.
