

STUDENT ATTENDANCE ○ ● ● ● ○

It is critical for all children to be in attendance at school daily. We do realize that from time to time children do get ill, and they should be home. Excusable reasons to keep your child home would be: running a temperature, vomiting, infection that has not been treated with antibiotics for at least 24 hours, funerals, or doctor appointments that cannot be made outside of school time.

You must phone the school at 330.875.2661 before 9:30 a.m. to report your child off of school. When reporting your child off of school, you may also request for homework to be sent home with another student, or you can pick it up in the office from 3:00-3:45 p.m. Upon return to school the student must bring a written excuse or doctor's slip for an absence to be considered excused.

What is a Substitute Levy?

A substitute levy is an option for the District to "renew" an expiring emergency levy, while allowing our schools to benefit from new construction. This process ensures that all current property owners pay no additional taxes.

What Levy is being substituted?

The substitute levy will take the place of the \$1,835,000 emergency operating levy that first passed in May of 2013 at 5.9 mills and will now show as 3.8 mills when calculated against current property values.

What is the money generated by this levy used for?

This levy generates \$1,835,000 annually. The tax proceeds are used to fund general operating expenses (i.e. utilities, supplies, equipment, personnel, and contracted services, etc.).

Why was it originally called an emergency levy?

The levy naming comes directly from State Law. An emergency operating levy is one type that can be legally used by Ohio school districts for general operating purposes. There is no specific emergency that relates to the levy.

Why a substitute levy?

Anticipating new residential construction within the District over the next few years, the Board of Education believes the substitute levy is the best option for our schools. Just like a straight renewal, there are no new taxes for our current property owners; however, the substitute levy allows our schools to benefit from the upcoming new residential construction.
