CELEBRATE THE SEASON WITH SPIRIT OF GIVING AND FILL THE BUCKET WEEK AT NN

Our **Word of the month for December is CARING**. As we draw closer to the holiday season, we would like to focus our efforts on the giving spirit of Christmas.

We would like to celebrate the season of giving and brighten someone's holiday by **filling our buckets with canned goods or other non-perishable items for the Louisville Community Cupboard**. Our goal will be to bring in over **400 items** over the course of the week to match the number of students and staff in our building. Our **Fill the Bucket Week will begin Monday, December 12 and will run through Friday, December 16**.

To celebrate achieving our goals each day we will have a number of **themes throughout the week of December 12 thru December 16** to keep us focused on helping others this holiday season.

On **Monday, December 12**, students and staff can **wear their favorite Christmas socks or special socks to school** as we **"Fill Our Stockings and Buckets at NN to Celebrate the Spirit of Giving!"**

On **Tuesday, December 13**, we will celebrate being part of such a caring, giving community as we **wear our favorite Christmas sweaters or holiday shirts** as we warm up to the holidays to remind each other **how warm and caring we try to be at NN!**

On **Wednesday, December 14**, students and staff can **"Dress Like a Snowman and wear white to White out Hunger"** as we make a difference in our community as we continue to bring in our donations for our Louisville Community Cupboard.

On **Thursday, December 15**, students and staff can **"Tip our Hats"** to those who make a difference in our community as we **wear our favorite holiday hats!**

On **Friday, December 16**, students and staff will **wear their favorite Christmas colors of Red and Green** as we **"Celebrate the wonderful Christmas season of Giving!"**

We hope you will be able to participate in our week of giving. We are so very blessed to have such wonderful students, families, and staff at North Nimishillen Elementary School. May you all have a joyous holiday season with your families and a Happy, Healthy, New Year!

SCHOOL DELAYS AND CLOSINGS

School will either be delayed or closed on days when weather and driving/road conditions are hazardous and dangerous for students and staff. The forecasting and predicting of hazardous weather in Ohio is always challenging, and the decision to cancel or delay school must be made very early in the morning. **Delays and closings will almost always be announced by 6:30 a.m. If there is no announcement to cancel or delay school by 6:30 a.m., you may safely assume that school will be in session.**

Parents will be notified by the School Messenger Telephone Notification System in the event school is delayed or canceled. The "School Messenger" phone call and parent notification may take several minutes to reach your home if there are a number of area school delays or closings.

If school is delayed, Louisville Schools will only delay the opening of school for two hours. Rarely, if ever, will school be delayed and then canceled. All bus runs and school starting times will simply be delayed by two hours. **There will be no AM preschool when school is delayed for two hours**, and no breakfast will be served in any of the school cafeterias.

A two-hour delay simply means that school will be delayed by two hours in the morning. Students should report to school or to their bus stop two hours later than their normal times. Buses will pickup students two hours later than the normal pickup times. School buildings will operate on an adjusted schedule, and students will be dismissed from school at their regular times and at their regular bus return trip times.

WATER BOTTLES

Please make sure to send a water bottle with your child each day. Students will be able to fill up their water bottle throughout the day. No pop, juice, tea, etc. is permitted

OUTDOOR RECESS CONTINUES

The snow will soon begin to fall, and it is time to remember to send your child to school with a warm coat, hats, gloves, and boots when appropriate.

When the wind chill is around 20 degrees or higher at 11:00 a.m., our students will have outdoor recess.

All children are expected to go to recess, unless they have a medical reason that is preventing them from going outdoors.

Recess is an important time of the day for students to have a free play break from the work of school as well as a chance for fresh air.

When snow is on the ground students must wear boots to leave the blacktop area outside. Students may bring a change of shoes from home or may wear their gym shoes during the day.

CARE TEAM CORNER

The Louisville Community Food Cupboard is open the first and third Thursday of each month from 3:00-5:00 p.m.

December's dates are Thursday, December 8 and 22.
